Pastor's Thoughts to Ponder

In Mark 8:27, Jesus asked His disciples, "whom do men say that I am?" The disciples answered in verse 28, "John the Baptist, Elias, others, one of the prophets". Then Jesus asked His disciples in verse 29, "But whom say ye that I am"? Peter spoke up and said, "Thou art the Christ".

Today there are still many opinions concerning Jesus Christ. Some say that He was an imposter, a sinner Himself, and His death was His final act. Some will say He was a pretty nice guy, and try to put some fleshly names to him like the people in the Bible did. Thankfully today, there are still some who believe that Jesus is "the Christ". They do not rely on the opinions of men, but rather on the teachings of the Bible.

Two thousand years later, this is still the most important question that anyone will ever answer: "Whom do ye say that I am?" The wrong opinion will lead to eternal doom. The biblical truth will lead to eternal life.

Do you believe that Jesus Christ is the virgin-born, sinless One whom God sent into this world to die for sinners? Do you believe that apart from His dying in your place, rising from the dead, and ascending back into heaven, you would be hopelessly lost?

Do you believe that this same Jesus is coming back one day to receive all that believe on Him only, and are looking for His return?

Believing that Jesus Christ is John the Baptist, Elias, or some other man will do no one any good. Believing Jesus to be God's only begotten Son, our only Savior, and our only sacrifice for sin is the only thing that will bring forth the fruits of true repentance.

"Whom do ye say that I am?"

If you need some help in your yard or inside your home, the Baptist Men are always willing to lend a hand.

Someone will come and look at your needs and determine if it is something that we would be able to do.

If so, we will set up a time to come and do the work.

We desire to be the hands and feet of our Lord.

You can share your need with Ray Anderson, or drop off a note in the office and it will be addressed.

— The Baptist Men of
Oakdale Baptist Church —

Christians should live in the world, but not be filled with it. A ship lives in the water; but if the water gets into the ship, she goes to the bottom.

So Christians may live in the world; but if the world gets into them, they sink.
